Oroville, CA, 95965
Phone 530-538-6568
vcowles@buttecounty.net,

Formation Description:

This Committee was formed by Butte County Resolution No. 04-057 as a result of the approval of Senate Bill 621 which established a method for distributing funds from the Indian Gaming Special Distribution Fund to local government agencies impacted by tribal gaming. Function / Purpose:

The Committee is established pursuant to Paragraph (1) of subsection (b) of Section 12715 of the California Government Code. It is the responsibility of the Committee to facilitate the distribution of appropriations from the Indian Gaming Distribution Fund by selecting those grants from each Individual Tribal Account or County Tribal Casino Account that will be applied toward the support of local government agencies within the County impacted by tribal government gaming.

Rabbi Trustee Committee (a.k.a. 457 Deferred Compensation Committee)

Auditor Controller, 25 County Center Drive
Oroville, CA, 95965
Phone 530-538-7607

Formation Description: Formed by the Board of Supervisors on May 25, 1993. Butte County offers a voluntary deferred compensation program, pursuant to IRS regulation 457, for employees. 457 Plans are non-qualified, unfunded deferred compensation plans, which is the reason why the assets generated by the existence of such plans are solely the property of the employer, subject to the claims of the employer's general creditors. The IRS has accepted a method of providing limited insulation of deferred compensation assets from claims of employer creditors under a 457 plan without affecting the tax deferred status of such accounts. This method (called a "Rabbi Trust") establishes an irrevocable trust and establishes a trust investment committee endowed with power separate and apart from the employer. This results in a situation in which the trust assets (employee's deposits) could not be used for purposes other than those designated by the trustee committee. While the trust will protect employee's deposits from claims of its creditors, it does not protect assets in the event of bankruptcy. The Deferred Compensation Committee believes that by establishing the trust, employees deposits will benefit by the additional protection against claims filed by creditors.

Structure / Appointment of Members: The committee shall be composed of the Auditor-Controller, Treasurer-Tax Collector, and two employee members serving on the Deferred Compensation Committee.

Terms: Indefinite.
